About Us

Imperial Lube Chem is an **ISO 9001: 2008 certified** organization, engaged in importing and supplying a quality range of **Industrial Wax, Petroleum Resin, Titanium Dioxide and Stearic Acid**. Apart from this, we also offer an extensive range of **Petroleum Products**.

Our range includes industrial wax, road marking paint, stearic acid, zinc oxide, thermoplastic road markings, aliphatic hydrocarbon resin, c9 hydrocarbon resin, pure paraffin wax and industrial lubricants.

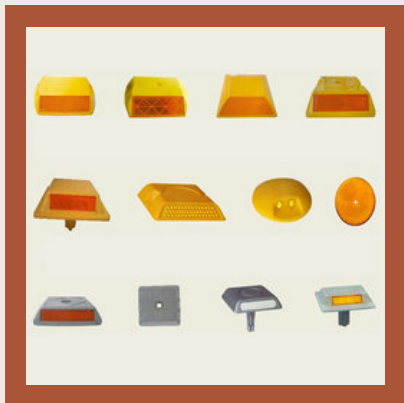

These products are procured from renowned organization like **Du Pont, Kerala Minerals & Metals Ltd, Huntsman, T.T.P- Travancore Titanum Products Ltd , Hindustan Petroleum, Indian Oil, Bharat Petroleum** which itself is a hallmark of quality. Our quality control policy ensures that each of the products is thoroughly tested at manufacturers' premises before procuring. Further, after these are procured the final checking is carried out at our end at our laboratory by a team of experts, prior to storage. This assists us to deliver the best in class range of international quality products that meet the demands of our esteemed clients.

Being an importer and suppliers of various chemical and petroleum products, **Imperial Lube Chem Pvt Ltd**. have effective and viable network spread across various parts of the globe. This enables us to deliver the ordered consignments in different parts of the country within the stipulated time frame.

Under the able guidance of our mentor **Mr. Hari Aggarwal and Mr. Sidharth Aggarwal** we have been able to create an enviable position in the domestic market. Their domain expertise of 2 decades have allowed us to, scale greater heights of success by providing a superior range of Industrial Wax, Resin and Stearic Acid and Petroleum Products.
